

Building a Bridge to the Future

THE
FREEDOM...
INITIATIVE

A Message from the Pastor

On March 20, 1927 the historic decision was made to start a new Baptist work that would become Calvary Baptist Church. Fifty years later another decision would move Calvary to southwest Lubbock. Now our generation is called upon to make a significant decision regarding the future of our ministry.

It's a decision to partner with God to bring FREEDOM to people in our city and points abroad. It's a decision to equip and deploy lay ministers into our community to share the good news of Jesus Christ each week. It's a decision to free up men and women to serve as ambassadors for Christ in Lubbock, in Texas, in the US, and even on international fields. It's a decision to provide staff level leadership for Senior Adults. It's a decision to carry out our calling.

The FREEDOM Initiative will lead our church...

...on a spiritual journey to collectively find God's heart for His ministry at Calvary;
...to retire our current debt and free up \$25,000 a month for ministry use;
...to partner with God in accomplishing the Great Commission

A great legacy of faith has been forged by the commitment of the first generation of the Calvary family. Great blessings and provisions have been given to us by those who have gone before us. The baton of responsibility has been passed to us as we stand at this vantage point of our ministry. I encourage you to join me as we launch out in faith to close one chapter in our ministry and begin a new, exciting journey together.
